

# LWSF AMBASSADORS

Ambassadors are both **essential partners** to Lake Washington Schools Foundation and **wonderful advocates** for their school. They actively engage with their school community, promote the Foundation's mission, goals, and activities, and serve as liaisons between the Foundation and their school.

## WHAT YOU GAIN

Ambassadors get the opportunity to meet and collaborate with like-minded peers and staff, who are passionate about the same cause. They play a key role in promoting LWSF and helping build its brand. Ambassadors also have the opportunity to go behind-the-scenes to witness some of our work firsthand.
